rsi
CONSULTING

RSI Consulting, a global IT solutions provider, leverages its expertise in Oracle, SAP, and Microsoft Dynamics to elevate businesses.

From ERP implementation to advanced analytics, our skilled team delivers exceptional results, enabling seamless digital transformation for your organization's success.

TRANSFORMATION:

a profound and positive change aimed at improving, modernizing, or
evolving something, leading to growth and progress.

RSI Consulting is a trusted global IT solutions provider dedicated to transforming businesses through cutting-edge technology services. With a focus on Oracle, SAP, and Microsoft Dynamics, we offer comprehensive expertise, from ERP implementation to advanced analytics. Our skilled team of experts empowers organizations to thrive in the digital landscape by delivering tailor-made solutions and driving seamless digital transformations. Backed by years of experience, RSI Consulting is committed to optimizing business operations, enhancing customer experiences, and driving growth. Partner with us to unlock your organization's true potential and achieve sustainable success in today's dynamic business world.

TAILORED ONSHORE STAFF AUGMENTATION

At RSI Consulting, we recognize the challenges faced by businesses when dealing with tight deadlines, unexpected project surges, and skill gaps within their in-house teams, especially in the domains of Oracle, SAP, and Microsoft Dynamics. To address these critical needs, we offer a flexible engagement model that bridges the gap between demand and supply by deploying dedicated, client-centric teams.

Our comprehensive suite of IT staff augmentation services and co-development solutions are specifically tailored to build your team and expedite the development process. We understand the significance of seamless collaboration, and hence, our software developers, analysts, and consultants are available on-site, working closely with your project heads.

By choosing our staff augmentation services, you can skip the time-consuming and distracting process of hiring resources, while we provide expertly vetted professionals who match your technology requirements. RSI Consulting serves as an extension of your in-house IT team, ensuring they are empowered with the right talent to tackle projects efficiently and effectively.

With our unwavering project support, your organization can overcome staffing challenges, meet project deadlines, and confidently take on any technological endeavor. Together, we propel your business towards exceptional results within the realms of Oracle, SAP, and Microsoft Dynamics in the dynamic world of IT solutions.

Discover why RSI Consulting stands out as the ideal staff augmentation partner for your organization:

- **Highly Qualified Talent**: Our talented professionals are equipped to handle diverse challenges and bring valuable insights to your projects.
- **Continuous Training**: To ensure our talent remains at the forefront of technology, we invest in periodic training and upskilling programs.
- **Thorough Screening**: We meticulously screen our resources and engage in detailed discussions with enterprises to fully grasp their specific business requirements.
- **Rapid Response:** We pride ourselves on our swift and efficient response to our customer's needs. Understanding the importance of timely solutions, we prioritize quick turnarounds.
- **Flexible Solutions:** We offer flexible pricing plans and schedules, ensuring that you have the freedom to choose the best fit for your projects.
- **Cultural Fit Assessment:** This ensures that our talent seamlessly integrates into your team, fostering collaboration and maximizing productivity.

OUR FOUR-STEP STAFF AUGMENTATION PROCESS

1.GET IN TOUCH WITH US

Reach out to us to explore how our services can meet your unique requirements and propel your projects forward. We will assign a key account manager exclusively for you and prepare a requirement note.

2.INTERVIEW AND SELECT RIGHT CANDIDATES

We assist you to conduct thorough technical and cultural interviews and evaluations to identify the best-suited candidates who match your specific needs and seamlessly integrate with your team.

3.CHOOSE THE RIGHT ENGAGEMENT MODEL

Tailor the collaboration to suit your project's demands with our flexible engagement models with duration and billing models ensuring a perfect fit for your business goals.

4.INTEGRATE AND START WITH 360° SUPPORT

Once the ideal candidates are selected, we facilitate their seamless integration into your team, kick-starting your projects with expert support and assistance.

STAFF AUGMENTATION COST INCLUSIONS

Our staff augmentation services come with comprehensive cost inclusions to ensure a seamless experience for your organization.

- Complete payroll management and taxation, handling all aspects of salary disbursement and tax compliance.
- End-to-end logistics for the resource, covering travel arrangements, accommodation, and visa processing through our trusted partners.
- In the event of a resignation, we provide a smooth transition by offering a 60-day notice period for the contractor. We organize a backfill resource, who will be interviewed and selected by your team, ensuring a suitable replacement. The existing resource will conduct knowledge transfer (KT) to the new resource to maintain uninterrupted project continuity.

At RSI Consulting, our aim is to deliver exceptional staffing solutions, allowing you to focus on your core business objectives with confidence.
